# Set to Seek the Lord

## **Goal:**

To learn to make a prayer meeting out of key messages preached by your pastor.

This particular prayer meeting was based on a sermon my pastor preached with our congregation as we were about to enter into a time of prayer and fasting.

The goal of this prayer meeting is helping people understand how important it is to actively seek God in our life. It is not something that should be done just during church services, but should be done each day of our life.

## **Instruction:**

Go through the scriptures on “seeking God.” Place emphasis on what the Bible says about those who will not seek Him.

Dismiss the group to seek God. Encourage them not to ask for anything other than God’s presence in their life. Ask them to make new commitments to God for their daily prayer time.

At the end give each person the tracker sheet to help them keep up with exactly how much time they are spending with God.
